

FREAKY FREE DAY
OFFICIAL PROMO RULES

We will choose one day in October to refund 100% of all customer purchases (minus taxes). Valid for Supply Yard purchases only. Results will be tallied by the professional accounting firm, Balanced Books. Purchases will be refunded in the form of Caveman Cash (our version of gift certificates).

This formula will be used to calculate the refund day:

Supply Yard gross sales for the month of October / 31 (# of days in month) =
average day's sales in the month of October.

The day's sales closest to equaling or less than the average will be chosen for refunds. A valid entry consists of a purchase during the month of October (can be multiple, NO LIMIT), provide full name, address, email, and phone number on official entry form at time(s) of purchase. If you are a landscape installation client of Sun Valley Landscaping, materials used towards that project do not qualify. If you want to make purchases at our supply yard, outside of your installation, you may enter to win. Both retail customers and contractors may enter. All questions can be directed to info@sunvalleyomaha.com.

Example:

Let's say we have \$50,000 in total gross sales during the month of October. We would take $50,000 / 31$ to get \$1,612.90. October 12th, the sales were closest at \$1600. All customers who made purchases on October 12th would get a full refund minus taxes.
