

## FREE DAY FRENZY OFFICIAL PROMO RULES

### **Overview:**

We will choose one day in September to refund 100% of all customer purchases (minus taxes). Valid for Sun Valley Landscaping Supply Yard purchases only. Results will be tallied by the professional accounting firm, Balanced Books. Purchases will be refunded in the form of Caveman Cash (our version of gift certificates).

### **How it works:**

1. Make a purchase at our supply yard in September.
2. Fill out an entry form at the time of your purchase.
3. Wait in anticipation for our phone call.

### **How the winners are chosen:**

This formula will be used to calculate the refund day:

Supply Yard gross sales for the month of September / 30 (# of days in month) =  
average day's sales in the month of September.

The day's sales closest to equaling or less than the average will be chosen for refunds. A valid entry consists of a purchase during the month of September (can be multiple, NO LIMIT), provide full name, address, email, and phone number on official entry form at time(s) of purchase. If you are a landscape installation client of Sun Valley Landscaping, materials used towards that project do not qualify. If you want to make purchases at our supply yard, outside of your installation, you may enter to win. Both retail customers and contractors may enter. All questions can be directed to [info@sunvalleyomaha.com](mailto:info@sunvalleyomaha.com).

### **Example:**

Let's say we have \$50,000 in total gross sales during the month of September. We would take  $50,000 / 31$  to get \$1,612.90. September 12<sup>th</sup>, the sales were closest at \$1600. All customers who made purchases on September 12<sup>th</sup> would get a full refund minus taxes.
